## BA INTERIOR ARCHITECTURE/INTERIOR DESIGN

Detailed  
Study Plan

### Why Study at Whitecliffe University of Applied Sciences?

Whitecliffe offers a state-recognized, globally accredited education in the heart of Europe. With an international campus, English-taught programs, and strong industry connections, students gain practical experience in a personalized learning environment.

Small classes, innovative teaching, and strong career outcomes prepare graduates for successful global careers.

### Create Meaningful Interiors by Taking a Design-Led Approach

The BA Interior Architecture/Interior Design at Whitecliffe equips students to create **sustainable interior solutions**. The program explores spatial environments, cultural and structural contexts, and encourages an **experimental approach** to conceptualizing, planning, and realizing adaptable interior designs.

### Teaching Methods

At Whitecliffe University of Applied Sciences, learning is student centered and **practice focused**. The program combines **project-based work**, individual and group projects, and interdisciplinary collaborations. Students gain hands-on experience in interior design, construction, and building technology, including internships, visualizations, and a design-focused final thesis.

### Career Opportunities

Graduates of the BA Interior Architecture/Interior Design at Whitecliffe are prepared to tackle complex creative interior design challenges. Career paths include interior and architecture firms, production design for film, TV, and theatre, cultural institutions, and furniture or product manufacturing.
